

**AGENCY REQUEST FOR
A/E SELECTION
OCTOBER 2016**

AGENCY: Department of Transportation

DOT CONTACT: Anthony Taylor, (608) 267-7910, anthony.taylor@dot.wi.gov

DFD CONTACT: R.J. Binau, (608) 267-6927, RJ.Binau@wisconsin.gov

LOCATION: DSP (former District 6), Village of Elmwood, Pierce County

PROJECT REQUEST:

Select an A/E consulting firm to provide design through construction phase professional services associated with the design, removal and replacement of the DSP (former District 6) radio communication tower replacement in the Village of Elmwood, Pierce County.

PROJECT NUMBER: 16A1X

PROJECT DESCRIPTION:

The purpose of this project is to disassemble, remove and replace the existing 200' tall tower.

PROJECT JUSTIFICATION:

On November 18, 2014 the tower at Elmwood was inspected and found to be structurally unsound. The engineering consultant determined that repair to the tower was not feasible. The cause of the structural damage is due to corrosion from within the tower members, which has led to a bent leg.

BUDGET/SCHEDULE:

Construction	
Design	
DFD Mgt	
Contingency	
Equipment	
Other	
TOTAL	\$715,000

A/E Selection	Oct 2016
